TRANSFORMING LOSS **FINDING POTENTIAL FOR GROWTH**

Transforming Loss: Finding Potential for Growth is an inspirational program about positive change and action by the bereaved in the aftermath of loss. The program is appropriate for all professionals working in hospice and palliative care, counselors, clergy, funeral professionals, and any professional whose practice involves the bereaved. The program will offer clinicians tools to support and encourage transformative growth in grieving clients and will supply self-help advice for caregivers and the bereaved.

Friday, May 18, 2018 ~ 8:30 a.m. – 2:30 p.m. (Presentation begins at 9 a.m.)
Faith Community Fellowship, Trenton, Maine
