How did you hear about HVHC's Bereavement Support Groups?

~continued~

What is bothering you most at this time?

What gives you strength during difficult times (nurturing of fond memories, journaling, creativity, gardening, etc.)

Identify your personal circle of support (family, friends, church, etc.). How are they helpful? Not helpful?

Have you participated in a support group at HVHC before? If so when?

Are there any additional comments/information we need to know to help support you?
